Eisele Memorial

Memorial services will be held at 2:00 pm Saturday, April 23 in Alumni Hall Auditorium for ISD graduate **Michael Thor Eisele**, (Class of '79) who died April 5 in San Diego. He had worked for several years for ***Deaf Community Services of San Diego***, advancing to deputy director of the agency before accepting a position with Sprint as an ombudsman educating the Deaf community about the California Relay Service.

Eisele spoke in Indianapolis last year on his experiences living with AIDS and life as a recovering alcohol and drug addict. He entered a recovery program in November, 1987, and the following month learned he was HIV positive.

Subsequently, this remarkable individual completed his abandoned undergraduate degree from Gallaudet, embarked on his career in community service, and became a spokesman and advocate for the Deaf community and a consultant to HIV/AIDS agencies on the local, state, and national levels.

After the program in the auditorium, the community is invited to a reception and showing of a 25 minute videotape biography in the residence hall's 2nd Floor Coed Lounge. For additional information contact Jodee Crace at (317) 924-8415 TTY/Voice or Greg Gantt at (317) 233-5009 TTY.

BiBi Conference

Continued from Page 2

tending this informative conference, please submit a registration form as soon as possible to your department director -- parents submit to PTCO. Forms may be obtained from the following people:

Dan Fitzpatrick, Student Life

Jeff Toutant, Human Resources/ Operations

Cindy Lawrence, Family & Student Services

Louise Fitzpatrick, 0 - 5 Program

Laurene Gallimore, K - 5 Department

Jerry Thixton, Middle School

Linda Lloyd, High School/Vocational

David Reynolds, PTCO

0 - 5 News

The 0 - 5 Program is in the process of selecting a new name. The choices have been narrowed to three finalists from suggestions submitted after the school-wide announcement in the Campus Bulletin last fall. The final vote is being made by FSS staff, 0 - 5 Dorm staff and 0 - 5 parents. The "winner" will be submitted to Superintendent Laird and the advisory board in May, for their approval.

Another idea the 0 - 5 Program staff is developing is a program called "Young Artist's Studio." This new addition to our program will consist of music, dance, song translation, and body movement.

0 - 5 Program director Louise Fitzpatrick and her staff hope to join school and dorm as a team. Houseparents may work as aides in classrooms part time. Plans are also being developed to relocate the dorm for 0 - 5 students to two of the "apartments" in the dorm area to help make the dorm more like a family atmosphere for the young children.

The 0 - 5 Program staff is very excited about these new ideas and about the future of the department.

FSS Announcements

Changes

Please send changes of address, home phone, parent work phone, and emergency phone numbers to Donna Stutler in the Family and Student Services Department. Donna can be reached at — (317) 924-8416 TTY/Voice.

Case Conference News

FSS staff members report that annual case conference reviews seem to be going smoother due to the postcards enclosed with notification letters this year. Many thanks to the parents who drop them in the mail as soon as possible. There are many people involved in these conferences (case conference coordinators, LEA representatives, Family and Student Services staff, Vocational Rehabilitation counselors, supervising teachers, teachers, and sometimes dormitory representatives and Health Center staff). It is hard to notify all participants if an appointment is cancelled. Most time slots are already filled from now until the end of school.

Payroll Notes

All attendance reports must be turned in to the payroll office by 10:00 am (payday) for the following payday. This is important to the success of getting everyone paid on time. Having the attendance report and any "work comp" papers in to the payroll office in a timely manner will help ensure that all employees receive accurate paychecks.

Supervisors should set up an appointment with Kathleen McNeil, Human Resources Administrator Payroll/Benefits by April 29, to balance "work comp" and "holiday comp" hours. There are many "comp" balances that do not agree with balances in the payroll office. It is very important to resolve these discrepancies before the end of school!

Teachers who want 26 pay periods for the '94 - '95 school year must notify the payroll office in writing before May 31, 1994.

What About Caffeine?

Did you know that caffeine is an addictive drug? Caffeine is found in coffee, tea, chocolate, soft drinks, and over-the-counter drugs for weight control and headache.

Caffeine has a greater stimulant effect on young children than adults. Children may experience nervousness, irritability, insomnia, gastrointestinal problems and heart disease.

Below is a list of soft drinks with caffeine levels:

Sugar-Free Mr. Pibb	58.8
Mountain Dew	54.0
Mello Yello	52.8
Tab	46.8
Coca-Cola	45.6
Diet Coke	45.6
Mr. Pibb	40.8
Dr. Pepper	39.6
Sugar-Free Dr. Pepper	39.6
Pepsi-Cola	38.4
Diet Pepsi	36.0
Pepsi Light	36.0
RC Cola	36.0

(This information is based on data from the National Soft Drink Association)

Mark Your Calendars!

These memories were collected from Maryann Haskett's classes, students would like to share them with you.

We will never forget...

her prizes
her patience
her sensitivity
her constant teaching
her daily homework
her planning and organization
her personalized clothes with unique designs
her way of sharing chemistry "secrets"
her encouragement to students to improve their grades
her assistance to students struggling with tests
her willingness to accept criticism of her sign skills
her yearly lesson on how to dissect a worm
her plan to give a liter of soft drink as a contest prize
her way of correcting papers in the corner while students watched films

We will never forget what she did in our classes. She was a wonderful science teacher. We know things won't be the same. We miss her.
